

# Working together!

## Handbook for the facilitators of collaborative networks

### Working together !

This handbook brings you all the resources to learn how to facilitate networks, to train others and ultimately to bring collaboration into your groups! Concepts, methodologies, testimonials, tools...

### Train !

There are 10 available training pathways  
Writing together, facilitating a cooperative project, monitoring, facilitating a territory...

### Create !

You can also create your own customized training pathway and generate your own customized e-book

My  
E-BOOK...
